The jungle was easy to find.
Inspires stories to scare kids
The jungle of apes they called it
But if Sir Glar didn't feel fear
I wouldn't too
Through I went through the dark jungle
Trees and bushes made every path look the same
My lessons as a knight were my savior
Finally caught sight of my way out
The lake was bigger than I imagined
But my view was obstructed by a large mass of fur
I knew what it was.
An ape had come to end my journey
A desperate run towards my goal failed
I was thrown and thrashed
The ground shook, Trees collapsed
Yet even on all four's I moved towards the lake .
"So close yet so far "
I braved myself for the final blow
It didn't come
The ape, even though not human must have felt sympathy
For it lifted me
I admit I thought my death was clear
But it didn't kill
Instead it journeyed through to the rest of the jungle .
Me in its arms
And left me at the lake
Too tired to stand up
I just laid there

Wondering if this was my idol's doing
